Who we Are!

The Foundation for Excellence in Education is a group of individuals who are dedicated to making post-secondary education available to qualified graduates of the Galax City School System. To date, the foundation has given more than a million dollars in scholarships to Galax High School graduates. During the 2017 scholarship night, the foundation gave away over \$80,000.00.

The Foundation's endowment is now worth over \$2.5 million which serves to fund more than 80 different scholarships each year. We hope that you will choose to join the Foundation in seeking to provide the young people of the City of Galax with opportunities to grow.
